Re: Request for Additional Information, Dated January 19, 2012

Dear Mr. Culberson,

Enclosed is our amended October Quarterly Report (07/01/2011 – 09/30/2011) that clarifies the missing information as you requested.

You may be interested to know that I have since learned that when I used the FECfile viewer to print the original report it failed to correctly print the report as it was displayed on the screen of my computer.

Sincerely,

June Tope  
Treasurer
